Personal Statements:

Salvation: I placed my faith in Jesus Christ when I was six years old on October 3, 1993.

Calling: I surrendered to the ministry in 2007 and God has called me into full time vocational ministry. Proverbs 16:9, "In their hearts humans plan their course, but the LORD establishes their steps" I am eager and prepared to follow the Lord's calling in my life wherever He "establishes my steps". At this time I understand Him directing and calling me into student ministry.

Career Focus: I am a passionate Christ follower that desires to point students to Jesus with a strong motivation to succeed. Upon graduation with a Bachelor's of Science degree in Organizational Leadership I plan to further my education at Southwestern Baptist Theological Seminary.
